

How Could You Show Empathy If ...

A friend is confused about what a teacher has said?

Your dad is sick?

A new student is lonely and feels left out?

Your mom seems really tired after work?

Your brother's best friend has just moved away?

One of the coldest days of the year, a classmate has lost his gloves
and it's recess time?

Your class is planning a trip to the skating rink. Every time the subject
comes up, a girl in your class becomes frustrated with the topic and
complains about the destination; you suspect it's because she doesn't
know how to skate?
